4. (Internal Use Only - JGO) In response to his request, I advised Mr. Adlerman, General Counsel, Senate Permanent Investigations Subcommittee, that [redacted] is leaving the Agency but has advised that he is accepting a position with a member of the House of Representatives. Mr. Adlerman thanked me for the call and noted that he had since received the same information.

5. (Internal Use Only - LLM) Called Charles Lombard, Senate Republican Policy Committee staff, in response to his earlier inquiry and called his attention to a short ABM glossary which was printed in the 14 March issue of Time magazine.

6. (Internal Use Only - LLM) Pursuant to arrangements with David Muchow, Legislative Reference, called Austin T. Ivory, International Programs, BOB, and advised that the Agency had no comment on the Department of State's proposed draft bill "To amend the Foreign Military Sales Act" as the subject was outside of the scope of the Agency's responsibility. Mr. Ivory thanked us for our response in order to meet their deadline and requested that we send BOB a confirming letter.

7. (Unclassified - GLC) Al Tarabochia, on the staff of the Senate Subcommittee on Internal Security, called and asked if we would put him on the mailing list to receive the FBIS Latin American area book. I told him we would be happy to do so and the necessary arrangements have been made. Tarabochia mentioned that he receives a number of Cuban newspapers on a daily basis, and offered these to us if we did not have ready access to them ourselves.

2. (Internal Use Only - CEA) Jay Sourwine, Chief Counsel, Senate Special Subcommittee on Internal Security, called to inquire whether the Agency has any interest in [redacted] a State Department Foreign Service officer now detailed to AID, in whom the Subcommittee has an interest. After checking with Personnel, I informed Sourwine that the Agency has no current interest in [redacted] but that [redacted] was in OSS during World War II and also had been detailed briefly to the Agency in 1951. Sourwine said these periods would not conflict with the time period in which the Subcommittee is interested.

OFFICE OF LEGISLATIVE COUNSEL

Friday - 2 May 1969

1. (Confidential - GLC) Hand carried to Mr. Stan Kimmitt, Secretary to Majority Leader Mansfield, a TASS item commenting on statements made by the Senator on the U. S. defense budget. I took this opportunity to talk with Mr. Kimmitt about the possibility of Senator Mike Mansfield (D., Mont.) making a visit to the Agency sometime in the near future. (See Memo for the Record for details.)

2. (Confidential - CEA) Delivered to Jay Sourwine, Chief Counsel, Senate Special Subcommittee on Internal Security, background material on [redacted] which Sourwine had previously requested. Sourwine informed me that [redacted] has a long arrest record which he had obtained from the FBI and that it is unlikely the Committee will call [redacted] as a witness.

[redacted]

4. (Unclassified - JGO) Received a call from Mr. Kenneth Sprankle, Clerk and Staff Director, House Appropriations Committee, who requested informal advice concerning a former Agency employee who is under consideration for employment by one of the Members. [redacted] was employed June 1956 to September 1957. I advised Mr. Sprankle I would check and be back in touch with him the first of the week.
